+ As a •Facilitator •Parent

- I want to: Login to the Being a Parent system.
- So that: I can access the resources provided.
- Priority: High
- Effort: \_\_
- Notes: This has been implemented. Please see prototype.

+ As a •Facilitator

- I want to: Create New Parent User Profiles / Hide Certain Profile Information.
- So that: I can keep track of parents on the system & to make the app more social
- Priority: High
- Effort: \_\_
- Notes: Ensure that some profile information remains private.

+ As a •Facilitator

- I want to: Sign Parents up with an Account to a Specific Group.
- So that: Parents can be connected to their correct group.
- Priority: High
- Effort: \_\_
- Notes: There could be many groups, which parents sign up to. (i.e. A person who

+ As a •Parent [with] [Enrolled]

- I want to: Use a code to enrol onto the EPEC Course.
- So that: I can access the resources used to help my child.
- Priority: High
- Effort: \_\_
- Notes: Currently, a parent enrolls themselves onto the course (and not the facilitator)

+ As a •Parent [with]

- I want to: Update My User Profile.
- So that: I can update my contact information (and more, described below)
- Priority: High
- Effort: \_\_
- Notes: Please see proposed design by team member for required features.

+ As a •Facilitator •Parent [with]

- I want to: View the App Homepage.
- So that: I can view information such as the location of the group, and the date
- Priority: High
- Effort: \_\_
- Notes: \_\_

+ As a •Facilitator •Parent [with]

- I want to: View the App Homepage.
- So that: I can view information such as the location of the group, and the date
- Priority: High
- Effort: \_\_
- Notes: \_\_

+ As a •Facilitator

- I want to: Update the Homepage.
- So that: I can update information such as the location of the group, and the dat
- Priority: High
- Effort: \_\_
- Notes: Is this static information, or does it vary for different groups (in the

+ As a •Facilitator

- I want to: Add / Update Weekly EPEC Course material.
- So that: Parents can access information required for the course.
- Priority: High
- Effort: \_\_
- Notes: We would hope to see these documents to understand how the information sh

+ As a •Parent [with] (and Facilitator)

- I want to: View EPEC Course Material.
- So that: I can benefit from material provided by the course.
- Priority: High
- Effort: \_\_
- Notes: Similar to above.

+ As a •Facilitator

- I want to: Create Weekly Homework Activities / Reflective Logs for parents.
- So that: The system can give an opportunity for parents to reflect on their prog
- Priority: High
- Effort: \_\_
- Notes: Check we have correctly understood this requirement.

+ As a •Parent [with]

- I want to: Complete Weekly Homework Activities (privately)
- So that: I can reflect on my progress during the course.
- Priority: High
- Effort: \_\_
- Notes: Check we have correctly understood this requirement.

+ As a •Parent [with]

- I want to: Post Additional Homework Responses (publicly)
- So that: I can interact with other parents.
- Priority: High
- Effort: \_\_
- Notes: I.e. Additional homework response via a public forum feature, within the

+ As a •Parent [with]

- I want to: Like / Respond to other parent's public homework responses.
- So that: I can interact with other parents and re-inforce support within the com
- Priority: High
- Effort: \_\_
- Notes: This seems similar to a facebook feature. Check we have correctly underst

+ As a •Facilitator

- I want to: Delete inappropriate public homework responses.
- So that: Maintain trust within the community.
- Priority: High
- Effort: \_\_
- Notes: Safety feature.

+ As a •Facilitator •Parent [with]

- I want to: Receive Push Notifications.
- So that: I can receive reminders for homework, messages from facilitators, and resources.
- Priority: High
- Effort: \_\_
- Notes: Are notifications for parents only, or they be enabled for facilitators too?

+ As a •Parent [with]

- I want to: Chat to facilitators (publicly)
- So that: I can get support / ask for help from the course facilitators.
- Priority: High
- Effort: \_\_
- Notes: Should this feature be a chat feature, or more like a forum feature.

+ As a •Parent [with]

- I want to: Chat to facilitators (privately)
- So that: I can get support / ask for help from the course facilitators privately
- Priority: High
- Effort: \_\_
- Notes: Should this feature be a chat feature, or more like a forum feature.

+ As a •Parent [with]

- I want to: Chat to other parents (publicly)
- So that: I can interact with other parents and gain support within the community
- Priority: High
- Effort: \_\_
- Notes: Should this feature be a chat feature, or more like a forum feature. This

+ As a •Parent [with]

- I want to: Share Photos of Children.
- So that: I can share photos of my child.
- Priority: TBC
- Effort: \_\_
- Notes: Check legal terms & conditions. Are we allowed to store photos of children?

+ As a •Facilitator

- I want to: Delete inappropriate public general forum responses.
- So that: Maintain trust within the community.
- Priority: High
- Effort: \_\_
- Notes: Safety feature.

+ As a •Parent [with]

- I want to: Record Progress of my EPEC course on the system.
- So that: I can share my feedback with the facilitator.
- Priority: High
- Effort: \_\_
- Notes: \_\_

+ As a •Facilitator

- I want to: View Progress Reports Data / Export Progress Reports to Excel.
- So that: I can collate results of parent's views.
- Priority: High
- Effort: \_\_
- Notes: Confirm additional requirements for this feature during the meeting.

Questions: What rights does a parent group leader have. Should this be expressed in the system?

Question: Whose role is the Facilitator? Is a parent leader of the course, or a NHS Professional?
